## VFI TRAVEL INFORMATION

Please do not book your flight until *after* you are approved for the program, unless you plan to travel to Israel anyway. See **Miri Sharon's** phone number on the inside front cover of your Program Handbook.

### Sar-El's requirements for arrival and departure days and times:

- **2- & 3-Week Programs:** If you will arrive in Israel on the Sunday start date, your flight must land in Israel no later than 12:00 Noon. The meeting place is in the Arrivals Hall, terminal 3, ground floor, near the Erroca Sunglasses kiosk. If for any reason you are delayed after you arrive, you must call Miri Sharon.
- **1 Week Programs:** You must be at the Meeting Place at 8:00 AM on the Sunday start date. Schedule your flight to land early and allow time to retrieve your luggage, get through immigration/customs and go to the Meeting Place.
- **All volunteers on 1-, 2- and 3-Week programs, who arrive in Israel before the Sunday start date, must call Miri Sharon during the week immediately prior to the start date** to confirm location and meeting time. Call Miri from 10:00 AM to Noon, Wednesday to Saturday.
- **It is highly recommended that you arrive in Israel at least one day early to avoid being late to the Meeting Place on Sunday.** Volunteers who arrive late on Sunday may be reassigned bases and have to pay for their own transportation. It is difficult to estimate the time necessary to clear immigration/customs, but there may be lengthy lines.
- **On subsequent Sunday mornings after a weekend, volunteers returning to the base must be at the Savior Station in Tel Aviv no later than 9 AM.** The *madricha* will provide instructions for meeting.
- Participants who wish to change their return date must make their own arrangements in Israel directly with the airline and pay any penalties they may incur.
- Confirm your return reservations with your airline at least 72 hours prior to your flight home.
