

GIVE 1 COPY TO YOUR REGIONAL MANAGER
AND BRING ONE COMPLETED COPY TO KEEP WITH YOU IN ISRAEL

VFI TRAVEL INFORMATION (Part I)

NOTE: DO NOT BOOK YOUR FLIGHT UNTIL YOU ARE APPROVED—FIRST BY VFI AND THEN BY SAR-EL (UNLESS YOU ARE GOING TO ISRAEL ANYWAY). ONCE YOU ARE APPROVED BY VFI, SAR-EL WILL SEND YOU AN EMAIL WITH LINKS TO THEIR WAIVER AND \$100 FEE PAYMENT. SAR-EL WON'T APPROVE YOU UNTIL YOU RETURN THE SIGNED WAIVER AND PAY THEIR \$100 FEE, SO DO THIS IMMEDIATELY. SAR-EL WILL SEND YOU A CONFIRMATION EMAIL AND MEETING INSTRUCTIONS. TELL YOUR REGIONAL MANAGER WHEN YOU HAVE BEEN ACCEPTED BY SAR-EL.

REGULATIONS AND REQUIREMENTS CONCERNING COVID-19 MAY CHANGE AT ANY TIME. CONSULT THE STATE OF ISRAEL'S WEBSITE REGULARLY.

See <https://corona.health.gov.il/en/abroad/arriving-foreign-nationals/>

ENTRY STATEMENT: See <https://corona.health.gov.il/en/flights/>

CONTACT YOUR VFI REGIONAL MANAGER IF YOU HAVE QUESTIONS.

BOOKING YOUR FLIGHT TO ISRAEL

All Sar-El Programs start on Sundays. Depending on your meeting time, you might want to arrive before Sunday and arrange pre-program lodging. If your flight is delayed or you run into a travel problem in Israel, call/email Johanna Arrouas, Sar-El's Program Coordinator at johanna@sar-el.org – **054 258 6688**.

MEETING INSTRUCTIONS

Before your program date, Sar-El will send you an email that tells you where and when to meet Sar-El's staff and other volunteers. You must be on time so you don't miss your bus to the base. Bring your certificate of vaccination, proof of insurance coverage for COVID-19, Sar-El's acceptance letter and 3 COVID-19 self tests. **NOTE: The meeting time and location are subject to change by Sar-El.** If there's any question, contact Sar-El Program Coordinator Johanna Arrouas at johanna@sar-el.org – **054 258 6688** or call your VFI Regional Manager.

For multi-week programs, your *madrichot* will tell you where and when to meet on Sunday morning to return to the base after the weekend.

BOOKING YOUR RETURN FLIGHT

Check the US CDC website regularly for possible updates and changes. As of Sunday, June 12, 2022, a PCR test is no longer required before boarding a return flight to the US.

See <https://www.cnn.com/2022/06/10/politics/us-to-end-pre-departure-testing-requirement/index.html>

When you book your flight back to the US, factor in enough time to travel to the airport, check in the recommended 3 hours before flight, and go through screening, etc. You might want to stay in Israel an additional day if there is no convenient evening flight. If you wish to change the return date of your flight, you must make your own arrangements with the airline.

FILL IN THE FORM ON THE NEXT PAGE (8) AND SEND IT TO YOUR REGIONAL MANAGER.
